

# CONTROLLER

*You're a CPA, seeking work in an organization that will allow you to put your financial acumen to the test in practical ways.*

One that offers challenge, and the opportunity to embrace both strategic thinking and tactical execution. A company where you can make an impact, and be recognized as a valuable team member.

Eagle's Flight is that organization, and we're looking for a sharp, strategic Controller, who can utilize their strong financial acumen.

In this position you will take the reins of our accounting processes, and the development and implementation of our financial systems.

You will have a passion and a talent for process improvement, and a track record of flawless execution.

This is a full time remote position.

*Sound like you? If so, find more details on the following page.*

## **In This Role You Will:**

- Manage all accounting operations including Billing, A/R, A/P, Cost Accounting, Inventory, Payroll and Benefits
- Lead the month-end and year-end financial close process
- Ensure quality control over financial transactions and financial reporting
- Closely manage daily cash balances of multiple intercompany entities
- Additional duties as necessary

## **You Must Have:**

- A CPA designation
- 3+ years of accounting and financial experience.
- Expertise in cash flow management
- Experience managing a team remotely
- Thorough knowledge of accounting principles and procedures
- Experience with general ledger functions and month-end/year end close process
- Excellent accounting software user and administration skills
- Experience with continuous process improvement
- Meticulous attention to detail
- A growth mindset, capable of seeing what should be, or what could be, rather than what is

## **Considered a Significant Asset:**

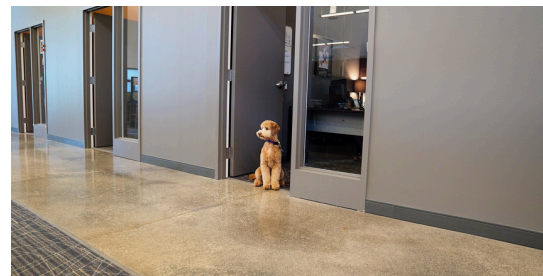

- An understanding of global business and international accounting
- Experience with Microsoft Business Central financial software
- Experience in a multi-currency accounting environment
- Experience in a job costing or project accounting
